Tent Event Checklist

The Flint Township Fire Department is providing you with a checklist to ensure a safe event. Please use this checklist to make sure you are compliant with safety and fire codes. Call the fire department if you have any questions or are ready for a final inspection.

810-732-4413

The following will be checked in a final tent inspection.

- Insurance Certificate
- Flame resistant tent certificate
- Tent is located in the area approved by the Township
- A tent 15,000 square feet (or more) or used for cooking shall be 50 feet from buildings and other tents, canopies or membrane structures. Measured from side walls.
- A tent <15,000 square feet and not used for cooking shall be 20 feet from lot line, buildings, other tents, canopies or membrane structures and parked vehicles or internal combustion engines. Measured from support ropes or cables and stakes.
- Tent anchored properly
- Exit signage (occupant load of 50 or more) and lighting.
- Aisle widths - Employee areas 24 inches, Public areas 44 inches
- 3 feet of clearance for access shall be maintained from interior walls.
- 12 feet of clearance for access shall be maintained around the exterior of the tent, measured from ropes and stakes.
- No Smoking Signage in place (required)
- No open flame in occupied tent (i.e. gas cooking equipment, candles)
- Fire extinguisher within 75 feet (30 feet for cooking) of any area and location identified.
- Sufficient egress. (Minimum of 2 exits, 72 inches wide, no more than 100 feet travel distance)
- No trash dumpsters within 20 feet of tent
- For multiple tents, not used for cooking, no separation is required (between tents) if total area is <15,000 square feet.
